- One (1) year warrantee from defects in workmanship and materials.
- Five (5) years limited warranty on the sealed refrigeration system only.

This limited warranty begins on the original date of purchase or 180 days from the date the unit was manufactured, whichever comes first. The warranty is valid only on products purchased and used in the United States and Canada. **To receive warranty service, the purchaser must contact NRT for problem determination and service procedures.** The original dated bill of sale must be presented upon request as proof of Purchase.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
